HERBERT LONDON ADDRESSES THE RISE OF SECULARISM IN THE UNITED STATES

AMERICA'S SECULAR CHALLENGE

(BALTIMORE, MD) – **Herbert London** is the president of the Hudson Institute. London is a noted social critic, whose work has appeared in every major newspaper and journal, including *The Wall Street Journal*, *Commentary*, *National Review*, *The New York Times*, *The Washington Post*, *New York Magazine*, *Investors Business Daily*, and *Forbes*. London is author and editor of 21 books, including *Myths that Rule America* (with Al Weeks). London shows that while secular humanism has its saints, sinners, and even its quasi-religious rituals, it is too anemic and self-centered a philosophy of life to serve America and the West in its battle against the threat of radical Islam.

WHO: Herbert London
WHAT: America's Secular Challenge
WHEN: Doors Open 6:30 PM, Wednesday, September 3, 2008
Presentation 7:00 PM followed by dessert reception
WHERE: TBA

Dr. London will suggest that the rise of secularism in the United States is a flaccid response to the challenge presented by the fanaticism of radical Islam. In the so-called war of ideas we are handicapped in our ability to thwart the inroads of fanaticism by a reflexive belief in relativism, one dimension of secular humanism. The rise of secular humanism not only challenges the traditional antecedent of the nation, it is an ineffective response to the challenge of Islam. The result? If you don't know what you believe in, you are unable to defend what is worthwhile.

The cost of the London presentation and Dessert is free for Harbour League members, \$5 for non-members. An RSVP is a must since seating is limited. Media covering this event should contact The Harbour League in advance.

The Harbour League has been host to a variety of speakers including former Speaker of the House *Newt Gingrich*, *National Review* senior editor *Ramesh Ponnuru*, *Washington Times* editorial page editor *Tony Blankley*, Conservative Commentator *Michelle Malkin*, Americans for Tax Reform President and Harbour League Trustee *Grover Norquist*, American Conservative Union Chairman and Harbour League Trustee *David Keene*, Hudson Institute President and Harbour League Trustee *Herb London*, *Deroy Murdock* and *Dr. Paul Hollander*.

The Harbour League is a consortium of liberty-minded individuals who share free-market values and right-of-center ideals. The Harbour League, a non-profit 501(C)(3) organization, was established in May 2006 in part as a venue for discussion through monthly roundtables, speakers and events with a focus on public policy issues affecting Maryland citizens. More information on The Harbour League is available on its Internet site, www.theharbourleague.org.
