

**Oath of Public Official Transparency**  
**For Open, Transparent, and Accountable Government**

I, \_\_\_\_\_, candidate for the office of \_\_\_\_\_ in \_\_\_\_\_ of the State of Maryland, pledge to the citizens of our state, that if elected to \_\_\_\_\_, I will energetically work toward accountability, transparency, and disclosure of taxpayer-expended resources by government agencies.

Effective management, accountability, transparency, and disclosure of taxpayer-expended resources by state and local agencies are of the utmost importance to maintain the trust of the Maryland citizens. The paramount goal is effective and efficient delivery of critical government and public programs to the Maryland citizens. Results-oriented management of state and local agencies and taxpayer resources must be aggressively pursued and provide maximum value for the public good.

Guided by these principles, I commit to push and vote for legislation that will make government expenditures including (but not limited to) grants and contracts available on a searchable website that is accessible to the public free of charge.
